Dedication

The first woman who realized that half of the human race were not getting a square deal, and who had the courage to voice a protest; and also in the long line of women from that day unto this, who saw clearly, thought strongly, and braved misrepresentation, ridicule, calumny and social ostracism, to bring about that millennial day when humanity shall know the blessedness of dwelling together as equals.

To all those valiant and undaunted soldiers of progress we dedicate our labors in compiling this volume.
